

Johnnie Bongos

CORPORATE BREWING WORKSHOPS

Brewing Workshop & Beer Tasting

Duration: 3.5 hours

Day: Wednesday or Thursday

Time: 6.00pm - 9.30pm

Location: Unit 4, Gaelic Street, North Strand, Dublin 3

Event Overview

- **3.5 hour brewing workshop**
Involves attendees getting hands-on and involved in brewing their very own perfect Pale Ale, irresistible IPA or super Stout.
- **Beer tasting**
During downtime in the brewing process, attendees will sample different styles of beer and be educated on what makes each one different and the processes involved. The tasting will be accompanied by delicious pizza from DaMimmo's restaurant of North Strand.
- **Beer naming competition**
Attendees will be mixed up and split into teams. Each team will have to put forward their preferred name with the winner chosen by popular vote.
- **Beer bottle design**
Using the chosen name, a design sample of the finished bottle will be created and displayed on-screen in JohnnieBongos. Gloating from the winning team is optional!
- **Bottling, labelling & delivery**
Once the workshop is complete, the fermentation process begins and takes 2-3 weeks. We will then bottle the beer, apply the custom-designed labels and deliver the brewing masterpiece to the office, preferably for consumption on a Thursday or Friday evening, on a sun-drenched balcony!

Cost: €80 per person (Minimum 15 people)
